

MARITIME EMPLOYERS ASSOCIATION
ASSOCIATION DES EMPLOYEURS MARITIMES

COMMUNIQUÉ– Checkers Local 1657

Register for fishing the following day on the web

The Maritime Employers Association is pleased to announce that registration for fishing the following day will be available through the assignment broadcast module as of February 24, 2010.

Please note that at all times you will be able to continue to receive your assignment and register for fishing by telephoning the Dispatch Centre's call centre. **All assignment refusals must still be reported to the Dispatch Centre.**

Once you are in the assignment broadcast module (green light on the portal www.mea.ca), and as provided in the collective agreement, eligible employees may register for fishing. By clicking on the key "save" after giving your fishing choices, a summary of the transaction and a confirmation number will be shown. This number confirms the success of your registration for fishing. For dispatchable employees, this number will be the same as the one that was displayed during your initial acceptance. If required, take note or print this number for future reference.

Should you have any questions, please contact the Dispatch Centre at 514-866-1411.
